APPLICATION FOR SEWAGE / WATER SYSTEM EVALUATION

I hereby request the following inspection, tests, and records check to be conducted by the Auglaize County Health Department.

Sewage:

_____ Private sewage system evaluation/report $75.00

Water testing options:

_____ Private water system evaluation with standard Coliform bacterial test $40.00

_____ New FHA water test package (Lead, Coliform, Nitrates, Nitrites, and combination) $111.00

The home must be serviced by electricity in order to pull the water sample. Please make sure the electric has not been shut off.

The septic tank needs to have a lid(s) accessible so that the tank can be inspected. Do not schedule the inspection until lids are uncovered or accessible.
